**SAN IGNACIO
UNIVERSITY**
MIAMI, FL

Universidad San Ignacio de Loyola

PARAGUAY

OUR MISSION

To train competent and entrepreneurial professionals, who are socially responsible and fully capable of performing in both, the domestic and international markets.

OUR VISION

To be a leader in the training of high-quality ethical professionals, according to national and international standards.

OUR PILLARS

Universidad San Ignacio de Loyola possesses four main institutional pillars upon which its philosophical approach is based: a lifestyle that at all levels of education and in all its projects seeks to Foster the development of entrepreneurs capable of achieving personal progress in a global level, in a socially responsible manner, contributing through a range of activities to the national development of a modern Peru able to participate with confidence and dynamism in the global economy.

OUR TEACHING RELIES ON FOUR BASIC PILLARS

ENTREPRENEURSHIP

We nurture an entrepreneurial culture, built on a solid ethical and moral basis, which promotes innovation, leadership, competitiveness and the creation of values, and enables students to identify and make the most of business opportunities.

SUSTAINABILITY

We are **committed to contributing to social development and to improving the quality of life of people,** by raising awareness and sensitivity among our students about their responsibilities as citizens, with the aim to overcome inequality, fight extreme poverty and promote social inclusion.

RESEARCH AND DEVELOPMENT

In every country where we are present, **we are committed to the inclusive and sustainable national development** through an educational model that prioritizes research and technological innovation in the different fields of knowledge and its transfer to society.

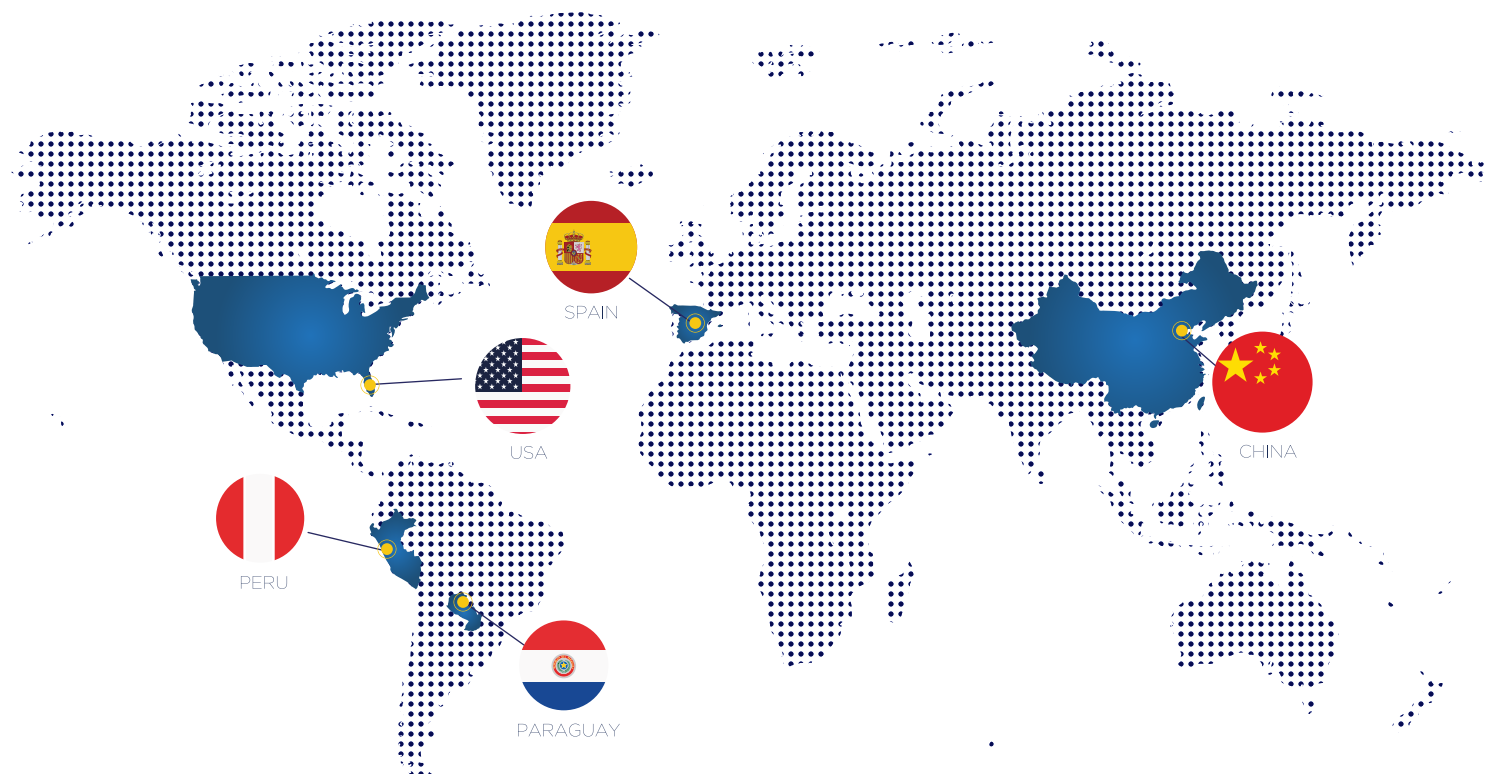

GLOBALIZATION

Our global approach enables our students to perform effectively and efficiently anywhere in the world. Our corporate presence in several countries and the bilingual nature of our institution allow our organization to offer an educational model with a global vision, with the highest international standards.

THE ADVENTURE IN CUSCO

STUDY IN CUSCO

IMPERIAL CITY OF THE INCAS

Cusco, the capital of the Inca Empire. Proudly holds the title of Archaeological Capital of America. Cusco, in the Quechua language literally means "navel", and certainly this description even today fits perfectly to reality, since Cusco is at the center of the Andean culture. It is a city that could be compared to a gateway to the Andes, since from there you can start the journey of a number of archaeological sites such as the famous Machu Picchu, one of the most fascinating cities in the lost world.
